

32n Spring 2025 Service Overview

MOST Advisory Committee Meeting

32n State Evaluation Team

Jamie Wu, Ph.D.,

Gretchen Sheneman, MSW & Sabrina Anderson, MBA

5/9/2025

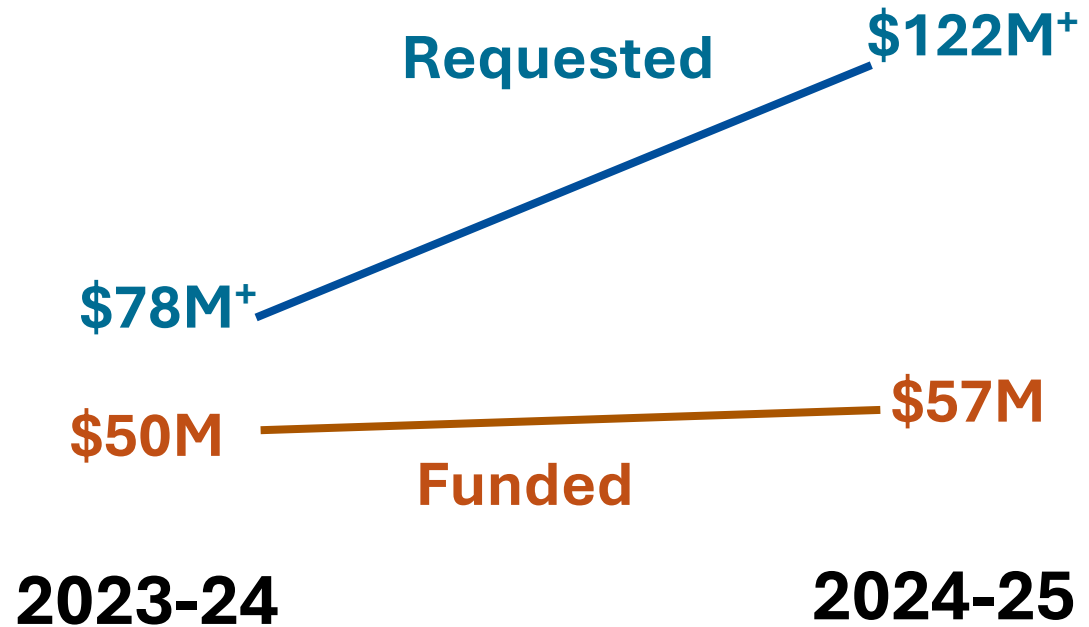

History

- A record \$57 million in 2024-25 state funding was invested into 32n OST, up from \$50 million last year.
- In 2023-24, 919 program sites were applied for, requesting over \$78 million; 733 program sites were funded.
- The 2024-25, 1251 program sites were applied for, requesting over \$122 million; 696 program sites were funded.
- \$4.5 million from last year was carried forward and supported 123 additional program sites.
- **A total of 819 program sites are available in 2024-25.**

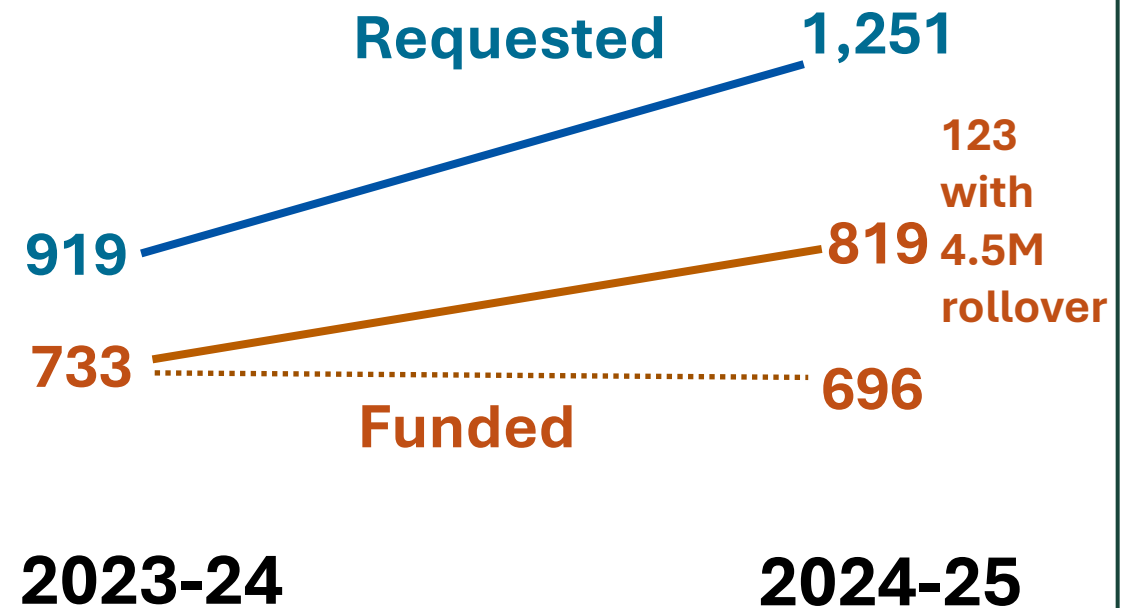

Funding & Program Sites

Funding

of Sites

Spring 2025

We started having timely data on attendance and operation!!!

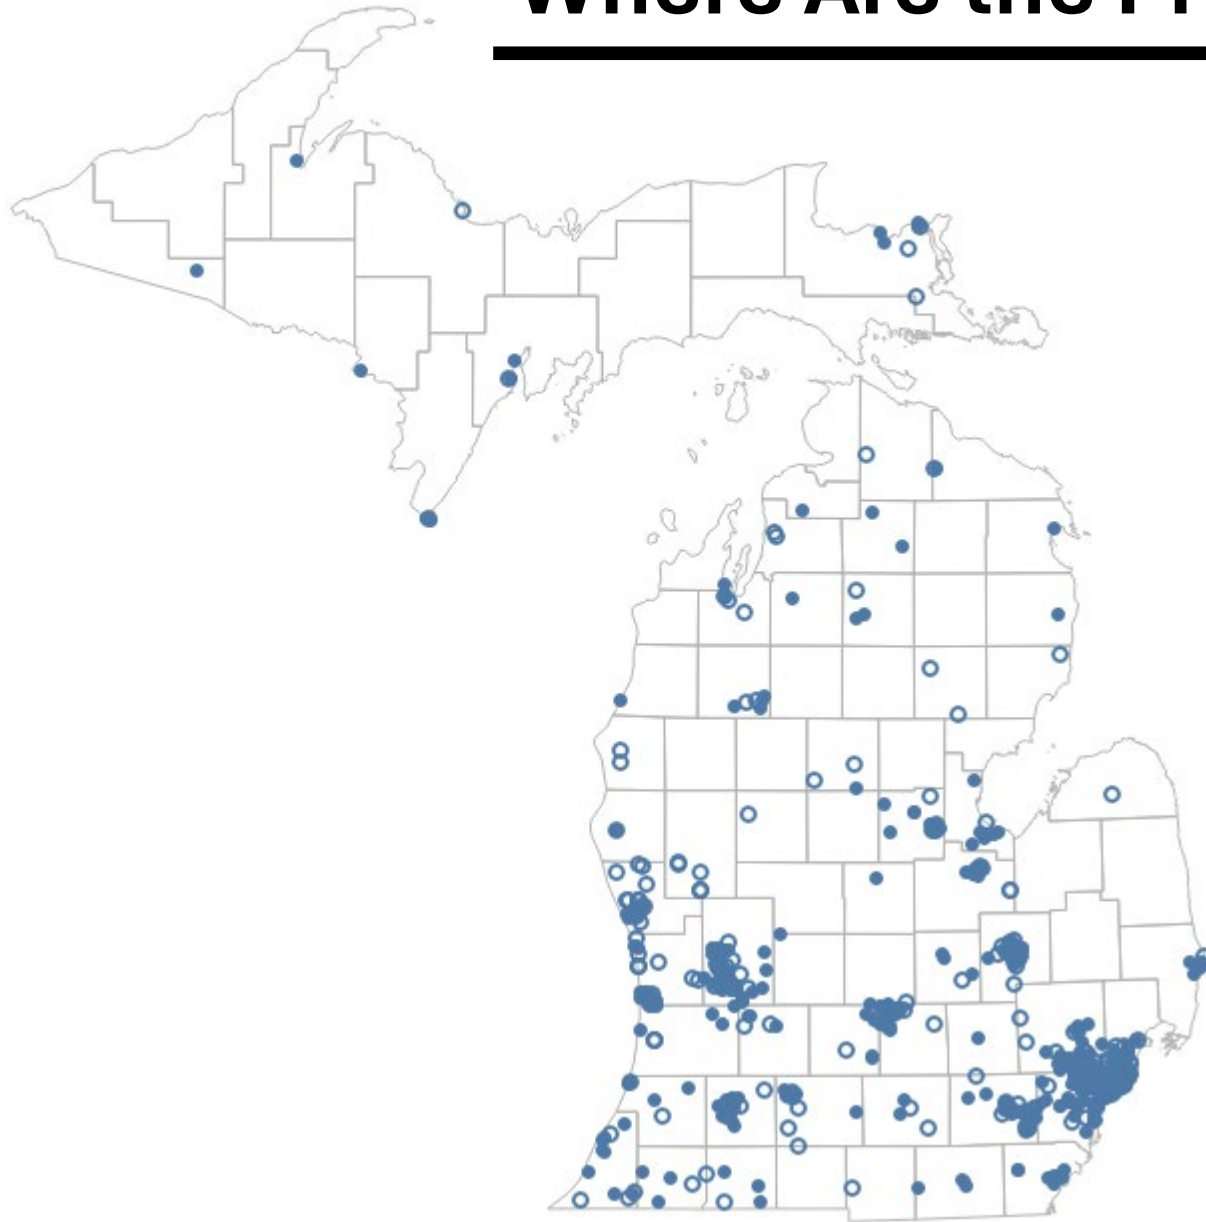

The rest of the presentation does not include roll-over sites because most of the roll-over sites do not use EZReports (agreement based on 23-24 requirements).
