State Evaluation of 21st Century Community Learning Centers 2024 Youth Survey (Grades 4 and up)

This is a survey about how youth feel about afterschool program.

The information will be used to improve program quality and demonstrate program success.
There are no right or wrong answers!

Your answers will be kept private—no one in the program or your family will know what you answered. But to keep your answers private, **you must tear off the page with your name on it before you turn this survey in.** All answers will be sent to Michigan State University, who will pull together all the information, without any names.

Please answer each question by filling in the circle next to the answer. You can use a pencil or a **blue or black** pen to fill in the circles and only one answer per question.
